Our mission is *healing*

Attention Physicians:

Looking for employment in a friendly, small-town atmosphere with easy access to the "big city"? Galion Community Hospital may be just what the doctor ordered!

We are looking for additional Primary Care Providers to serve the people of Crawford and surrounding counties. We are accepting CV's for openings at our hospital-owned clinics. D.O. and M.D. candidates are invited to apply. All candidates must be board certified or board eligible. Our offers are highly competitive and include paid malpractice, and much more.

Who We Are

GCH provides outpatient services in radiology, laboratory, cardiology, pulmonary, oncology, orthopedics, surgery, audiology and speech, physical and occupational therapies. Visiting specialists see patients in the hospital's Specialty Center. In addition, GCH provides inpatient acute medical/surgical care, intensive care, obstetrical care, rehabilitation care and a certified sleep center. The hospital employs primary and specialty care physicians with offices in Galion and Crestline, in addition to about 500 employees within the hospital. GCH was nationally recognized in 2006 as one of six organizations with outstanding performance for outpatient customer satisfaction.

About Galion, Ohio

- Located in Crawford County (pop. approx. 45,000) Galion's attractive small town atmosphere is a comfortable drive to four major Ohio cities: Toledo, Cleveland, Columbus, and Mansfield
- 300 acres of city parks and reservoirs with fishing, tennis courts, and more
- Four golf courses within 7 miles, 30 minutes to Snow Trails skiing
- Approximately 20 minute drive to Mansfield, Ohio and North Central State College and the Mansfield branch of The Ohio State University
